Availability of MPF Origination and Servicing Guides

The MPF Origination and Servicing Guides, including PFI Notices, PFI Marketing Bulletins, and PFI Advisories, are available electronically via a subscription to AllRegs®. AllRegs is the preferred method for receiving the MPF Guides due to:

- Ease of maintenance which eliminates manual Guide management and updating
- Immediate access to current information
- Assurance of widespread access within a PFI's organization
- Special features, such as word or phrase search
- E-mail notification of policy changes and announcements

Effective November 1, 2002, the MPF Provider will support 2 hard copies of the MPF Origination and Servicing Guides per approved PFI. All MPF publications and complete Guide updates will be provided for these 2 Guides. PFI Notices, PFI Marketing Bulletins, and PFI Advisories (excluding updated Guide pages) will continue to be available on the MPF website at www.fhlbmpf.com by clicking on "MPF® Origination and Servicing Guides".

The 2 hard copies of the MPF Guides and all updates for each PFI will be mailed to a single person designated by the PFI. Any changes to the current contact name and mailing address for your organization's copies of the MPF Guides should be directed to your MPF Bank Representative.
