

MPF Xtra® PFI Advisory

December 15, 2011

Special Attention: PFI MPF® Program Management and Origination Management

Subject: Uniform Loan Delivery Dataset (ULDD)

Extended Key Date

On December 14, 2011, the Federal Housing Finance Agency extended the implementation date for the ULDD portion of the UMDP project to July 23, 2012.

The MPF Provider is in the process of reviewing the effect this change will have on our system implementation plan. We will publish an MPF Xtra® PFI Advisory next week with further details of any revisions to the key dates and system implementation plans.

We ask that PFIs continue monitoring our dedicated webpage for the UMDP project at [Uniform Mortgage Data Program Information for the MPF Xtra® Product](#) for further information and revisions as they become available.

We look forward to working with all of our partners on this important initiative.
