New MPF® Product Notifications for Expiring Delivery Commitments

We are pleased to announce a new enhancement as part of the MPF® Program Excellence initiative, designed to help you better manage your Delivery Commitments (DCs) and avoid potential pair-off fees.

Beginning **December 16**, we're introducing email alerts to provide advanced notice when a DC is approaching expiration for both MPF Traditional and MPF Xtra® products.

- **For MPF Traditional products:** Alerts will be sent **5 days** before a DC expires.
- **For MPF Xtra:** Alerts will be sent **10 days** before a DC expires.
 - **Same-Day Warning for MPF Xtra:** This feature will continue to notify you on the day a DC expires if it remains unfunded.

These new email notifications will assist in effectively managing your DC commitments and avoiding pair-off fees.

Email Notifications:

- Email alerts will be sent to eMPF® users with 'Request DC' authority.
- Notifications will cover DCs within a tolerance that could result in a pair-off fee if not addressed.
- Emails will come from MPF_DoNotReply@fhlbc.com.

This enhancement reflects feedback from our MPF Program Excellence initiative and underscores our commitment to improving the tools and resources available to you.
