### **MPF® University Welcomes MGIC: Preventing Mortgage Fraud – Take a Closer Look**

Prevention is the best protection. The damages of mortgage fraud cost time and energy, not to mention money. How can you help prevent it? Take a closer look... do you see red flags? It's not always easy to spot fraud but becoming familiar with red flags that commonly appear in fraud cases will better protect you from its costly damages.

In this webinar, you'll learn about:

- What fraud is and its effects
- Where it frequently occurs
- Common schemes and motivations
- How red flags help assist in fraud detection
- How to ask the right questions to maximize your effectiveness and value
- to both your borrower and your company.
