1 CHAPTER 1 OVERVIEW

The MPF Program “concurrent sale” servicing released structure with Colonial Savings, F.A. (“Colonial Savings”) involves the sale of MPF Servicing Rights to Colonial Savings at the same time a PFI (the “Selling PFI”) sells loans to the MPF Bank. The Selling PFI will remain liable for origination warranties and for Credit Enhancement obligations, if any, for the Mortgages arising under the PFI Agreement of the Selling PFI. In turn, the Selling PFI will receive all Credit Enhancement Fees, if any, for the Mortgages serviced by Colonial Savings.

In order to participate in concurrent servicing sale transactions, the Selling PFI must sign a “PFI Servicing Sale Agreement” with the Selling PFI’s MPF Bank, Colonial Savings, and the MPF Provider, and prior to selling the Servicing for Government Loans, the Selling PFI must sign an addendum or amendment to the PFI Servicing Sale Agreement.

Prior to delivering loans under this structure, the Selling PFI must provide to the MPF Bank the Selling PFI Information (Exhibit 1).

1.1 ORGANIZATION OF THE MANUAL

With respect to the sale of Serviced Mortgages by a Selling PFI, all provisions of the MPF Traditional Selling and Servicing Guides and the PFI Agreement shall apply unless they are inconsistent with a provision of the Servicing Sale Agreement or this Manual.

All capitalized terms used but not defined in the Glossary of this Manual shall have the meaning provided in the MPF Traditional Selling and Servicing Guides, the PFI Agreement, or the PFI Servicing Sale Agreement. All references to “Serviced Mortgage” in this Manual shall be understood to refer to a Fixed Rate Mortgage Loan originated by a Selling PFI and sold to an MPF Bank at the same time that Servicing for the loan is transferred to Colonial Savings.

2 CHAPTER 2 PFI APPROVAL

In order to be eligible for this structure, a PFI must sign the PFI Servicing Sale Agreement noted in Chapter 1 and meet the requirements listed below, as applicable.

2.1 NEW PFI

A PFI who is new to the MPF Program may elect on the PFI Application to be considered for approval as either a “Selling PFI” (servicing released) or a Servicing PFI (servicing retained). A Servicing PFI (servicing retained) may also elect to deliver loans servicing released under specified Master Commitments. All new PFIs must sign a PFI Agreement.

2.2 EXISTING PFI

For an existing PFI, no additional approval is required to deliver Conventional Loans. To deliver Government Loans, the PFI must be approved for the particular type of Government Loans to be delivered.

3 CHAPTER 3 SERVICING RELEASED PREMIUM (SRP) / PRICING SCHEDULE

The Servicing Released Premium (SRP) / Pricing Schedule (Exhibit 3) represents the price to be paid by Colonial Savings for the Servicing Rights, stated as a percentage of the Principal Balance of the Serviced Mortgages on the Sale Date. The date of purchase of a Serviced Mortgage by the MPF Bank shall be referred to in this Manual as the “Sale Date”.

The SRP / Pricing Schedule is published on the website of Colonial Savings, F.A. The SRP / Pricing Schedule can be obtained by following these steps:

- Open the following website: <http://fhlb.cbankers.com>;
- Click on the ‘SRP’ link in the middle of the page.

Notification of changes in the SRP / Pricing Schedule will be via e-alerts from Allregs in the form of an e-mail notification. PFIs that have any questions regarding how to sign up for e-alerts should contact their MPF Bank. Changes to the SRP / Pricing Schedule will be effective for Delivery Commitments issued beginning the day after the effective date of change in the SRP / Pricing Schedule. The PFI is responsible for utilizing the latest SRP / Pricing Schedule from Colonial Savings in effect on the Sale Date as it is the only Schedule that will be honored.

3.1 MASTER COMMITMENT

The MPF Provider will manage all Master Commitments and Delivery Commitments in accordance with the Guides and the requirements provided in this Manual. When the PFI takes out a Concurrent Sale Master Commitment to be serviced by Colonial Savings, the Master Commitment must identify the Selling PFI as the Originator and Colonial Savings as the Servicer. The Master Commitment must only be for Fixed Rate Loans with a scheduled/scheduled remittance type. MPF Original, MPF 125, MPF 35, and MPF Government Mortgage Products are eligible for this structure.

3.2 DELIVERY COMMITMENT

A Concurrent Sale Delivery Commitment must reference the applicable Colonial Savings Concurrent Sale Master Commitment. See MPF Traditional Selling Guide Chapter 13.2 for issuance of Delivery Commitments.

4 CHAPTER 4 MORTGAGE ORIGINATION AND PURCHASE

4.1 ORIGINATION

4.3 CLOSING

Serviced Mortgages must be closed by the Selling PFI or its agent in accordance with the MPF Guides. The Selling PFI represents and warrants that it has provided a Selling PFI Goodbye Letter to the Borrower (Exhibit 4) at the time of the Closing which:

- Includes accurate and complete Servicer contact information for Colonial Savings;
- Complies with all Applicable Law; and
- Includes in the Letter's first line the Effective Transfer Date (as defined in the Glossary).

The Selling PFI must sell to its MPF Bank each Serviced Mortgage to be purchased under this structure not later than ten (10) calendar days after the Mortgage Closing date. The first payment due date for each Serviced Mortgage must be the first day of the month following the first full month after the Closing date. No "interest credit" due to the Borrower from Colonial Savings or the Selling PFI will be permitted.

The MPF Provider will transmit on a daily basis to the Selling PFI and to Colonial Savings loan data for Serviced Mortgages purchased that day.

5 CHAPTER 5 DOCUMENT CUSTODY

5.1 MPF PROGRAM CUSTODIAN

The MPF Program Custodian must be the Custodian for all Serviced Mortgages under this structure. The Selling PFI is required to deliver Collateral Files to the MPF Program Custodian shown in the Colonial Contact Information (Exhibit 2) in accordance with the timeframes and requirements of Chapter 15 of the MPF Traditional Selling Guide and to obtain the approval of the MPF Program Custodian that documents are in proper form and are properly executed. 5.2 COLLATERAL FILE LABEL

The Collateral File for each Serviced Mortgage delivered to the MPF Program Custodian must be identified by the Selling PFI as a Colonial Savings loan. Collateral Files must be labeled as required by Chapter 15 of the MPF Traditional Selling Guide with the “PFI Name” listed as “Colonial Savings”.

5.3 ENDORSEMENTS AND ASSIGNMENTS

The Selling PFI must provide a Note endorsement “in blank” as required by Chapter 10 of the MPF Traditional Selling Guide. As required by Sections 10.2.8 and 17.2 of the MPF Traditional Selling Guide, unless MERS is the Mortgagee of record, the Selling PFI must prepare and record an Intervening Assignment of the Security Instrument to “Colonial Savings, F.A.” for each Serviced Mortgage in the form required by Applicable Law. The Selling PFI must also send a certified copy of this Intervening Assignment to the MPF Program Custodian. The Selling PFI will not be responsible for preparing the unrecorded Assignment “in blank” from Colonial Savings.

If MERS is the Mortgagee of record, the Selling PFI must immediately register with MERS that the servicer for the Serviced Mortgage is “Organization Identification Number 1000290”. See Chapter 10.2.8 in the MPF Traditional Selling Guide and the Initial Certification Review Checklist (Exhibit 5) for additional requirements on MERS loans.

5.4 CERTIFICATION WITH THE MPF PROGRAM CUSTODIAN

The Selling PFI is responsible for the Initial and Final Certification of the Collateral Files, resolving Initial and Final Certification issues with the MPF Program Custodian, and payment of all fees imposed for uncertified documents or custodial Exceptions (see Chapter 15 of the MPF Traditional Selling Guide). All Serviced Mortgages that do not meet the Initial Certification requirements must be repurchased in accordance with Chapter 15. All Government Loan Serviced Mortgages that do not meet the Final Certification requirements within 12 months from the Funding Date must be repurchased. For all repurchased loans, Colonial Savings shall be entitled to a refund of the SRP in accordance with Chapters 8.2 and 8.5 of this Manual.

5.5 SELLING PFI DOCUMENT ACCESS

The Selling PFI may request and obtain the Collateral File from the MPF Program Custodian in order to correct certification Exceptions up until the point of Initial Certification. After Initial Certification, the Selling PFI may not request the Collateral File from the MPF Program Custodian.

The PFI must follow prudent business practices in protecting and safeguarding all documents released to it by the MPF Program Custodian until these documents are returned to the MPF Program Custodian, as required by Chapter 15 of the MPF Traditional Selling Guide.

6 CHAPTER 6 SERVICING TRANSFER PROVISIONS

- All Servicing Files must be in the order specified in the Servicing File Checklist (Exhibit 5) with the following label on the outside of each file:

- If more than one box is shipped at a time, (i) boxes should be numbered starting with box number one (1); and (ii) the box number should be indicated on the inventory list.

6.3 REVIEW AND ACCEPTANCE OF THE SERVICING FILE

Colonial Savings will review each Servicing File upon its receipt from the Selling PFI in order to:

- Determine that all required documents have been provided, and
- Ensure that the Servicing File and the Serviced Mortgage comply with the terms of this Manual and the PFI Servicing Sale Agreement.

If Colonial Savings determines that the Servicing File or the related Serviced Mortgage is not in compliance, Colonial Savings may choose to reject the Servicing File.

Colonial Savings will notify the MPF Provider and the Selling PFI within two (2) Business Days after receipt for each rejected Servicing File including the reasons for the rejection, and will return the Servicing File to the PFI. If notice of rejection is not provided for a Servicing File within two (2) Business Days, Colonial Savings will be deemed to have accepted the Servicing File (subject to its right to recommend repurchase in accordance with Chapter 8 of this Manual and / or the PFI Servicing Sale Agreement).

If Colonial Savings rejects a Servicing File and provides notice as described above, the Selling PFI must correct defects and return the corrected Servicing File to Colonial Savings (see Chapter 8 for more information on loan defects). If the Selling PFI fails to deliver an acceptable Servicing File to Colonial Savings before the tenth (10th) calendar day prior to the first payment due date for a Serviced Mortgage (or the preceding Business Day if that day is not a Business Day), the Selling PFI will be required to repurchase the Mortgage from its MPF Bank in accordance with Chapter 8.2.

6.4 SERVICING RELEASED PREMIUM (SRP) PAYMENT

On the fifth (5th) Business Day of the month following receipt and acceptance by Colonial Savings of the Servicing File and all required funds, the MPF Provider will pass the Servicing Released Premium (SRP) payment from Colonial Savings to the Selling PFI's DDA. By the fifth (5th) Business Day of each month, Colonial Savings will supply to the Selling PFI loan level SRP information and summary SRP payment data for Serviced Mortgages boarded the prior month in the form of the Servicing Released Premium Statement (Exhibit 9).

The SRP to be paid for the Servicing Rights with respect to a Serviced Mortgage will be an amount equal to the SRP Percentage in effect on the date on which the

Delivery Commitment covering such Serviced Mortgage was issued, multiplied by the original Principal Balance of such Serviced Mortgage as of the Sale Date. If the Principal Balance used in computing the SRP for any Serviced Mortgage is later found to be incorrect, the SRP shall be promptly and appropriately adjusted, and payment will be promptly made by the appropriate party.

6.5 OTHER FEES

Colonial Savings will charge the following fees for each Serviced Mortgage and will net the fees from the SRP due to the Selling PFI for the Serviced Mortgage:

• Tax Service Fee.....	\$89
• Processing Fee.....	\$100

6.6 ESCROW FUNDS

The Selling PFI (or the Closing agent) will wire the Escrow Funds collected at Closing to Colonial Savings as directed in the Colonial Contact Information (Exhibit 2).

Funds must be wired within one (1) Business Day after the Sale Date. The Escrow Funds Reconciliation (Exhibit 8) should be included in the Servicing File sent to Colonial Savings, along with the wire transfer confirmation.

Documents in the Servicing File should indicate whether an Escrow Account has been established for the Serviced Mortgage. These documents include, but are not limited to, the Closing Disclosure and the Escrow Funds Reconciliation (Exhibit 8). Any incorrect information provided by the Selling PFI could result in Selling PFI responsibility for tax penalties.

6.7 PROPERTY TAXES

The Selling PFI must provide Colonial Savings with a complete and accurate Tax Information Sheet (Exhibit 10) for each Serviced Mortgage, regardless of whether or not an Escrow Account is established for the loan. Colonial Savings requires this information in order to monitor payment of taxes during Servicing.

6.8 HAZARD AND FLOOD INSURANCE

6.8.1 MORTGAGEE CLAUSE

The Servicing File should include evidence of hazard and (if applicable) flood insurance and flood zone determination certificate with a Mortgagee clause to Colonial Savings, F.A. as shown in the Colonial Savings Contact Information (Exhibit 2).

If an insurance policy or flood zone determination certificate is not in the name of Colonial Savings, F.A. as required above, the Selling PFI may provide a letter requesting endorsement of the Mortgagee clause in the form of the Mortgagee Letter (Exhibit 11).

The Loan Flood Certification must be provided in the initial servicing file and must be from one of the five approved flood zone certificate vendors listed in Chapter 6.8.2. In the event that the Loan Flood Certification is missing from the initial servicing file or is from a flood zone certificate vendor that is not on the approved flood zone certificate vendor list, one must be provided within thirty (30) days of the effective transfer date. If the Loan Flood Certification has not been received within thirty (30) days, Colonial will purchase a Flood Certificate at the Selling PFI's expense. Colonial will then bill the Selling PFI for reimbursement.

6.8.2 APPROVED FLOOD ZONE CERTIFICATE VENDORS

A flood zone determination certificate with life-of-loan coverage from one of the following six approved vendors is required for each Serviced Mortgage:

- American Flood Research
- CBC a/k/a FZDS
- CoreLogic
- Kroll Factual Data
- Lereta, LLC

6.9 RECORDED / FINAL DOCUMENTS

The Selling PFI must deliver to Colonial Savings the original recorded and/or final documents (where applicable) in the Recorded / Final Documents Checklist (Exhibit 6) within ninety (90) days after the Sale Date. If not all documents are available at ninety (90) days, the Selling PFI should deliver the available documents and provide the remaining documents as they become available. The checklist must be attached to the copies sent for each Serviced Mortgage. Recorded and/or final documents should be shipped to the address shown in the Colonial Savings Contact Information (Exhibit 2), using the packing procedures provided in Chapter 6.2 (last 3 bullet points of the shipping process).

6.10 SUPPLEMENTARY INFORMATION

Prior to and after the Sale Date for a Serviced Mortgage, the Selling PFI will at its own expense:

- Furnish promptly to Colonial Savings any supplementary information related to the Serviced Mortgage which Colonial Savings reasonably requests and which is reasonably available to the Selling PFI; and
- Render reasonable assistance to Colonial Savings to enable Colonial Savings to efficiently take over and service the Serviced Mortgage.

8 CHAPTER 8 DEFECTS AND REMEDIES

Colonial Savings will work directly with the Selling PFI to resolve issues involving, but not limited to, the Servicing File delivery, loan boarding, Servicing Released Premium (SRP) payments and escrow reconciliation. In the event an issue cannot be resolved, the MPF Provider will act as arbitrator to resolve the issue, and the decision of the MPF Provider will be controlling.

8.1 CURABLE DEFECTS

If a Serviced Mortgage fails to comply with applicable requirements at the time of delivery to Colonial Savings for Servicing and the noncompliance is curable, Colonial Savings will take appropriate action to remedy the defect at the expense of the Selling PFI. Colonial Savings will bill the Selling PFI and collect all expenses directly from the Selling PFI.

8.2 INCURABLE DEFECTS / BREACH OF PFI SALE AGREEMENT

If Colonial Savings and the Selling PFI are unable to resolve material issues related to file delivery and loan boarding, the Selling PFI will be required to repurchase the Serviced Mortgage from the MPF Bank.

The Selling PFI must repurchase the loan in accordance with Chapter 3 of the MPF Program Guide.

In the event the Selling PFI is required to repurchase a Serviced Mortgage or if the Selling PFI is otherwise required to pay the SRP Refund, the Selling PFI will be required to pay to Colonial Savings the SRP Refund for the Mortgage in accordance with the PFI Servicing Sale Agreement. In either case, the SRP Refund will be collected by the MPF Bank and refunded to Colonial Savings in accordance with Chapter 8.5 of this Manual. In the event that Servicing must be transferred back to the Selling PFI, both Colonial Savings and the Selling PFI will be required to provide proper notice to the Borrower of the transfer as required by Applicable Law.

8.3 EARLY PAYMENT DEFAULT

If a Serviced Mortgage default occurs within six (6) months after the Sale Date and such default results in Foreclosure, Colonial Savings will be entitled to reimbursement by the Selling PFI of the entire SRP paid for the Mortgage Servicing upon completion of Foreclosure. The SRP will be collected in accordance with Chapter 8.5 of this Manual.

8.4 EARLY PAYOFF

If a Serviced Mortgage pays off (or otherwise liquidates) within one hundred and twenty (120) days after the Sale Date, Colonial Savings will be entitled to reimbursement by the Selling PFI for the entire SRP paid for the Mortgage Servicing. The SRP will be collected in accordance with Chapter 8.5 of this Manual.

8.5 FUNDS REPAYMENT

Funds from the Selling PFI (including but not limited to SRP Refund) will be drafted on the fifth (5th) Business Day of the month following the accounting cycle in which the issue is identified, or in the case of default or payoff, following completion of Foreclosure or payoff, and credited to Colonial Savings on the same day. If applicable, loan level SRP Refund information will be supplied to the Selling PFI by Colonial Savings on the fifth (5th) Business Day of each month in the form of the Servicing Released Premium (SRP) Statement (Exhibit 9).

8.6 REPURCHASE

In the event a loan is found to be ineligible and requires repurchase, the Selling PFI will notify Colonial Savings at CDEX.Repurchase@gocolonial.com. Colonial Savings must be contacted within three (3) business days of receiving the repurchase demand. At that time Colonial Savings will work with the Selling PFI to establish the Transfer Effective Date so that both the Selling PFI and Colonial Savings can send out the Goodbye/Welcome Letter(s) as required by RESPA guidelines. Following initial contact, Colonial Savings will provide instructions on how to proceed with the repurchase.

9 CHAPTER 9 SERVICING
