MPF Government MBS Liquidation Reporting Changes

Ginnie Mae (GNMA) recently announced they will be implementing a new liquidation reporting requirement, with an implementation date to be announced in a future All Participant Memorandum (APM). See [GNMA APM 25-07: Single Family Liquidation Event Reports \(LER\)](#).

The MPF Program, as a GNMA Issuer, will be subject to this new requirement and is currently evaluating how it may affect operations. An MPF Announcement outlining any changes to PFI and Servicer reporting responsibilities will be released once more information is available.

In the meantime, PFIs and Servicers should familiarize themselves with these changes and consider how their processes might be impacted.
