eMPF® Batch Enhancement for MPF Traditional and MPF Government MBS Products Coming Soon

Beginning Monday, June 10, 2019 a new enhancement will be available to PFIs who deliver MPF Traditional and MPF Government MBS loans by uploading a data file using batch submission functionality in eMPF. The new batch enhancement provides PFIs with the option to edit loan data to clear errors and fund error free loans without requiring the resubmission of a new batch file.
