Chapter 1 Overview

Under the MPF® Program's MPF Xtra® product, a Participating Financial Institution (Selling PFI) may sell the whole loan including the servicing (Serviced Loan) to the Federal Home Loan Bank of Chicago (MPF Provider). The MPF Provider will then sell the loan asset to Federal National Mortgage Association (FNMA) and the Mortgage Servicing Rights (MSRs) to Specialized Loan Servicing. (SLS). In this Manual, "Servicing Released" is used interchangeably with "whole loan" transactions to refer to the Selling PFI's sale of the whole loan including the servicing to the MPF Provider. The Selling PFI will sell the Serviced Loan and transfer the servicing in accordance to the terms of the Participating Financial Institution Agreement ("PFI Agreement") and this manual ("Manual").

The Selling PFI will remain liable for origination representations and warranties and for servicing prior to the Funding Date for the Serviced Loan arising under the PFI Agreement of the Selling PFI.

In order to participate in whole loan transactions, prior to selling Mortgage Loans, the Selling PFI must:

1. Be an approved PFI for selling and servicing under the MPF Guides.
2. Be a member of MERS, or become one, at a minimum of the Residential Lite level. The MPF Bank will help facilitate the Selling PFI's MERS application, if necessary.
3. Execute the MPF Xtra Addendum to MPF Program PFI Agreement and a MPF Xtra Master Commitment for selling loans on a whole loan basis.
 - a. The MPF Bank will provide the following information on the Master Commitment:
 - Servicer: Specialized Loan Servicing
 - Servicer Number: 6339
 - Remittance: Actual/Actual
 - b. PLEASE NOTE: The above instructions are for new MCs executed on or after 11/1/2021. For MCs which are active prior to 11/1/2021, no action needs to be taken by the FHLBank or PFI as those MCs will be transferred to SLS in the MPF Systems. Any and all amendments to new or existing MCs should reflect SLS.
4. Provide to the MPF Bank a completed PFI Information Sheet (Exhibit 1).

1.1 Organization of the Manual

With respect to the sale of Serviced Loans by a Selling PFI, all provisions of the MPF Guides, the PFI Agreement and this Manual shall apply.

All capitalized terms used but not defined in the Manual shall have the meaning provided in the MPF Guides or the PFI Agreement. All references to "Serviced Loan" in this Manual shall be understood to refer to a Mortgage Loan sold by a Selling PFI and purchased by the MPF Provider as a whole loan transaction.

Chapter 2 Servicing Released Premium (SRP) / Pricing Schedule

The Servicing Released Premium (SRP) Pricing Schedule is available on the eMPF website under the Pricing tab. The SRP Pricing Schedule represents the price to be paid by the MPF Provider for the Servicing Rights, stated as a percentage of the Unpaid Principal Balance (UPB) of the Serviced Loans on the date the Delivery Commitment (DC) is taken down. The SRP percentage will be applied to the UPB delivered to determine the SRP amount paid to the Selling PFI. The date of funding of a Serviced Loan by the MPF Provider shall be referred to in this Manual as the Funding Date.

1. The SRP Pricing Schedule will be displayed on the eMPF website and shall remain in effect until a new SRP Pricing Schedule becomes effective. Specialized Loan Servicing and the MPF Provider reserve the right to change pricing at any time.
2. The SRP is live between 8:30 a.m. CST until the Delivery Commitment deadline at 3:30 p.m. CST. PFIs can only lock the SRP during this time frame.
3. The SRP will be automatically locked at the time of Delivery Commitment.

Changes to the SRP Pricing Schedule will be effective for Delivery Commitments issued on or after the stated effective date on the SRP Pricing Schedule. The Selling PFI is responsible for determining the effective SRP Pricing Schedule in effect on the Delivery Commitment date as it is the only SRP Pricing Schedule that will be honored. The Selling PFI is responsible for checking the eMPF website for updates to the SRP Pricing Schedule may change intraday.

Serviced Loans sold to the MPF Provider with a 10 year term will be subject to an additional adjustment of -30 basis points (-.30) from the 15 year term SRP Pricing Schedule.

Chapter 5 Servicing Provisions

5.1 Mortgage Loan File Delivery Time Frame and Stacking Order

The Selling PFI must upload the Mortgage Loan File containing images of the documents listed in the Mortgage Loan File Checklist (Exhibit 3) for each Serviced Loan. Within seven (7) calendar days after the Funding Date, the Selling PFI must upload the Mortgage Loan File containing images of the documents listed in the Mortgage Loan File Checklist (Exhibit 3) for each Serviced Loan. The Mortgage Loan File is to be delivered utilizing the eMPF Website via the PFI Document Upload Utility. The uploaded Mortgage Loan File will be automatically transferred to Specialized Loan Servicing for review and Specialized Loan Servicing .

The Mortgage Loan File delivered electronically through the eMPF Website must be a .pdf. All documents should be saved into one file when creating the Mortgage Loan File. The PFI Document Upload tab can be found under the Upload header of the eMPF Website. Select "Servicing Transfer" from the Document Category menu. Select the applicable Serviced Loan. Under the "Mortgage Loan File Doc" browser, browse for the Mortgage Loan File. Once the Mortgage Loan File has been selected click the submit button for document submission. When the Mortgage Loan File has been successfully uploaded the current date will appear under the Servicing Doc column.

5.2 Review and Acceptance of the Mortgage Loan File

Specialized Loan Servicing will review each Mortgage Loan File upon receipt from the Selling PFI in order to:

- Determine that all required data/documents have been provided; and
- Review that the Mortgage Loan Files and the Serviced Loan comply with the terms of this Manual.

If Specialized Loan Servicing determines that the Mortgage Loan Files for the related Serviced Loan is not in compliance the deficiencies will be cured as follows:

1. Specialized Loan Servicing will issue a notification, via email, identifying deficiencies that will need to be addressed. If the deficiencies are determined by Specialized Loan Servicing to be critical, the Selling PFI will have one (1) Business Day to correct the deficiencies. If the deficiencies are not critical the Selling PFI will have seven (7) Business Days to address the deficiencies. If a deficiency notification is due to missing documents the Selling PFI is to provide the identified missing documents through the PFI Document Upload Utility as instructed in section 5.1.

2. If the Selling PFI fails to cure the Mortgage Loan File deficiencies before the timeframe stated in the notice, Specialized Loan Servicing will attempt to cure the deficiencies.

If

Specialized Loan Servicing or the MPF Provider incurs any cost while curing the deficiencies, the Selling PFI will be billed for such cost.

3. If Specialized Loan Servicing is unable to cure the deficiencies in a reasonable time frame, Specialized Loan Servicing will contact the Selling PFI to promptly cure the deficiencies.
4. In the unlikely event that the Selling PFI fails to respond and cure the deficiencies after the procedure described above, Specialized Loan Servicing will self-report the loan to FNMA. If upon FNMA's review a repurchase demand is issued, the MPF Provider will notify the Selling PFI of the request to repurchase the whole loan or the MSRs.

If corrections to the information in the loan level data are necessary, the Selling PFI must contact the MPF Provider regarding the corrections. Once the corrections are made, the MPF Provider will provide Specialized Loan Servicing with the data corrections. Specialized Loan Servicing will then make the correction to Specialized Loan Servicing's systems. The MPF Provider may be required to reverse the funding of the Serviced Loan that has been sold in order to correct the loan data. This will result in a new Transaction Confirmation and Loan Funding Activity Report for the Serviced Loan. If the correction affects the SRP, the adjustment to the SRP will be made by the Selling PFI to the MPF Provider or from the MPF Provider to the Selling PFI, if applicable. The MPF Provider will reverse the funding of the Serviced Loan that had been sold in order to correct the SRP Price paid for the Serviced Loan. The MPF Provider will send notification of the SRP refund to the Selling PFI.

5.3 Recorded/Final Documents

Within ninety (90) calendar days after the Funding Date, the Selling PFI must deliver the documents listed in Exhibit 4 (Recorded/Final Documents Checklist) to MPF Program Custodian (see Exhibit 5 for address details).
