## Reminder: MPF Custodial Account Reconciliations Must Be Submitted in eMAQCS<sup>®</sup>plus

The MPF Program would like to remind Servicers that all custodial account reconciliation requests must be completed within [eMAQCSplus](#).

As [previously communicated](#), custodial account reconciliations are no longer processed via email, fax, or mail. eMAQCSplus provides a centralized, secure, and efficient way to manage the entire reconciliation process.

Within eMAQCSplus, Servicers can:

- Complete the most current custodial account reconciliation forms online
- Upload supporting documentation securely
- Communicate directly with the MPF Loan Accounting team through a centralized portal

All **new** custodial account reconciliation requests must be submitted through eMAQCSplus. Any **existing** requests initiated prior to this change should continue to be managed through the [MPF Customer Service Portal](#) until resolved.

### Access to eMAQCSplus

Servicers who do not have access to eMAQCSplus, please contact your institution's eMPF<sup>®</sup> Security Administrator to request access or update your credentials through the [eMPF website](#).

Servicers utilizing a sub-servicer, will need to grant them access to eMAQCSplus to perform the reconciliation on their behalf. Contact your sub-servicer for a list of contacts that need access.
