The MPF Program has finalized updates to expand access for Participating Financial Institutions (PFIs) to deliver eligible loans originated under [Fannie Mae's Native American Conventional Lending Initiative \(NACLI\)](#) that are located on tribal trust lands.

With these updates, PFIs may deliver NACLI loans through the MPF Xtra[®] product, provided the loans meet Fannie Mae requirements, including applicable tribal agreements and program criteria, thereby expanding opportunities to support conventional lending within Native American communities.

PFIs should review the following exhibits in detail to understand all applicable requirements prior to delivering these loans:

- **Exhibit HH-X:** Delivering and Servicing MPF Xtra NACLI Loans
- **Exhibit Q:** MPF Program Special Feature Codes

Please note: This offering is available exclusively under the MPF Xtra product.
