New MPF Program Website

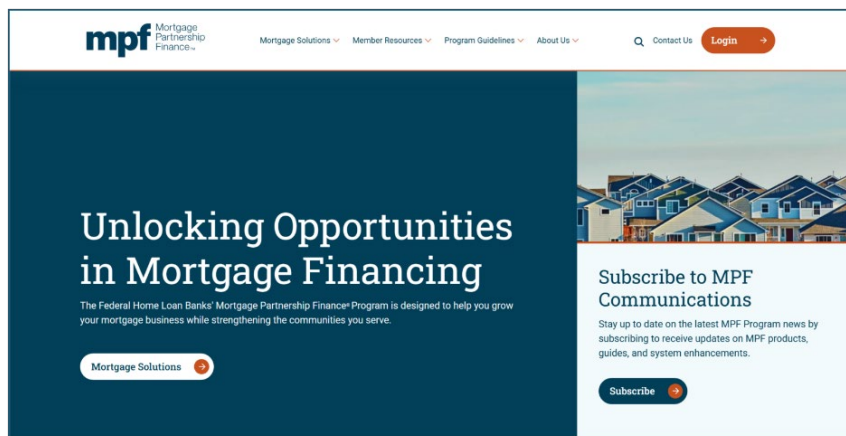

The MPF Program's redesigned website (fhlbmpf.com) is now live, delivering a more intuitive, modern, and efficient digital experience. This update also introduces a new centralized point of entry for accessing MPF applications.

Please note you can access the [MPF Guides](#) and [MPF Announcements](#) on our [MPF Website](#).

Visit the [MPF Website](#) to review and register for upcoming complimentary [MPF Webinars](#).

Follow Us

The redesigned MPF website features:

- Improved site navigation and structure making it easier to access MPF Program materials such as guides, forms, exhibits, updates, and training resources.
- Enhanced search capabilities to help you quickly locate program information you need.
- A refreshed design and streamlined layout that improves usability across both desktop and mobile devices.
- More intuitive content organization that reduces duplication and makes it simpler to find the materials you use most often.

Enhanced MPF Guides

Our MPF Guides are moving from static PDFs to fully searchable webpages, offering an improved browsing experience with intuitive navigation, a streamlined table of contents, and easier access to chapter and section level information. Downloadable PDFs will remain available for your reference.

The screenshot shows the MPF Program Guide webpage. At the top, there is a navigation bar with the MPF logo and links for Mortgage Solutions, Member Resources, Program Guidelines, and About Us. A search bar and a 'Contact Us' button are also present. The main heading is 'MPF Program Guide' with a sub-heading 'MPF PROGRAM' and a 'Download PDF' button. Below this is a search bar labeled 'Search This Guide'. The 'Table of Contents' lists seven chapters, with Chapter 1: Introduction selected. The content for Chapter 1 is displayed, including a description of the MPF Program and a list of bullet points detailing the guide's contents.

New Login Experience

As part of this update, the MPF website will become the central point of entry for all MPF applications, including:

- eMPF®
- MPF Customer Service Portal
- eMAQCS®plus

Users can log-in directly through the MPF website, utilizing existing MPF application credentials, and then seamlessly access any MPF applications you are authorized to use.

The screenshot shows the MPF website navigation bar. It includes the MPF logo, navigation links for Mortgage Solutions, Member Resources, Program Guidelines, and About Us, a search bar, and a 'Login' button with a red arrow pointing to it.

Single Sign-On (SSO) Across MPF Applications

All MPF applications now support single sign-on, allowing users to move between applications without needing to reauthenticate. Once logged in, you can seamlessly move between the MPF applications you are authorized to access within a single, integrated session.

What You Need to Do

No action is required. We encourage you to view our brief walkthrough video highlighting key changes and enhancements across the redesigned website.
