eMPF[®] Loan Presentation Updates

The MPF Program is announcing upcoming enhancements to the loan presentation screen in eMPF[®]. The additional data points will be applicable to loans sold under the MPF Traditional (conventional and government), MPF Xtra[®], and MPF Government MBS loan products.

Beginning the evening of July 10, 2026, three additional required fields will be added to the loan presentation screen and will be available in eMPF following implementation.

Reference

Please note you can access the [MPF Guides](#) and [MPF Announcements](#) on our [MPF Website](#).

Visit the [MPF Website](#) to review and register for upcoming complimentary [MPF Webinars](#).

New Loan Presentation Fields

The following three required fields will be added to the loan presentation screen in eMPF:

- Property Estate Type
- Special Flood Hazard Area
- Property Flood Insurance

Follow Us

These fields already exist in the ULDD file used for MPF Xtra and batch submission deliveries.

The screenshot shows a 'Property Information' form with the following fields:

- Property Address:
- City:
- State:
- Are Property Address and Mailing Address the same?:
- Zip Code:
- Property Type:
- Condo Project Name:
- Property Estate Type: (highlighted in orange)
- Special Flood Hazard Area: (highlighted in orange)
- Property Flood Insurance: (highlighted in orange)

Form OG3

[Form OG3](#), has been updated to reflect the new fields being added to the eMPF loan presentment screen. PFIs should reference the updated Form OG3 when completing a loan presentment in eMPF.
